Dear MGTC Supporter:

The Middle Georgia Technical College TITANS Booster Club would like to extend an opportunity to you and your business to help support the success of young men and women in our community by sponsoring an ad in the first-ever printed MGTC TITANS souvenir basketball program. This program will be given out at all home games and distributed to students on campus and at various business in the local communities.

This opportunity provides your business or organization with great exposure and an excellent way to show your customers that you are actively involved in the community. In addition, you will reach a new audience of fans, students, and MGTC supporters—Your customers!

In March 2011, the MGTC TITANS men's team earned the title of Technical College System of Georgia Athletic Association (TCS-GAA) State Champions! The team achieved this milestone after only three years of play. Also at the State Tournament, the Titans were honored for having the highest team GPA in the state for the season.

Going into the fourth season, the TITANS will now be a member of the Georgia Collegiate Athletic Association (GCAA) and the National Junior College Athletic Association (NJCAA). MGTC will take on top opponents from across the state, such as Georgia Perimeter College, Middle Georgia College, and South Georgia Technical College, greatly increasing the amount of exposure your business receives as a TITANS Booster Club sponsor.

If you would like to support the TITANS Booster Club by placing an ad in this inaugural edition of the TITANS game program, please complete the form on the back of this letter and return it with your check payable to the MGTC TITANS Booster Club. Also, please provide a logo, camera-ready ad, or business card.

In addition to an ad sponsorship, other levels of sponsorship are available. Please see the back of this form for more information on other levels of support.

The TITANS Basketball program is looking to grow and continually become better and stronger, while keeping in mind the ultimate goal of state and national championships. Become a part of the MGTC TITANS family and support the teams in their efforts to reach their goal, all while gaining an invaluable education.

Thank you for your consideration and your support! By supporting the young men and women at MGTC, you are supporting the future workforce of the middle Georgia area.

Sincerely,

Bobby Brown
