Applicants with college credits must provide official transcripts for all post secondary schools attended prior to enrollment.

SAT scores for AAS programs: Verbal-460 Math-430

*Program requires selection

TRANSFERABILITY OF COURSES AND PROGRAMS

Middle Georgia Technical College does not guarantee that the courses and programs completed are transferable to other institutions of higher learning.

Courses and programs offered at Middle Georgia Technical College may not transfer to a higher level degree at other institutions.

Acceptance of transfer credit from Middle Georgia Technical College is always up to the receiving institution.

Questions concerning the transferability of courses and programs need to be addressed with the receiving institution prior to taking the courses or programs, if a higher level degree is being sought.
